To Whom It May Concern,

My name is Daniel Axelrod and I'm an acupuncturist who has known Maldon Meehan for 6 years in many capacities. Maldon and I have worked together at a local Irish pub, I have volunteered for several of her music productions, and I have known Maldon closely as a roommate for over a year as well.

I'm writing to whole-heartedly and thoroughly endorse Maldon Meehan and her work. In regards to her dancing, Maldon's dedication, talent, enthusiasm, and overall love and appreciation for her art is truly outstanding. Her commitment springs from within and she has a persistent and tireless love for traditional dance that is extraordinary. It is wonderfully delightful and inspiring to see her perform.

Furthermore, I can attest that her passion and competence for dance carries into her other occupations as well. As a promoter, manager, and co-worker, Maldon's honesty, thoughtfulness, and work ethic are exceptional. Additionally she works cheerfully and cooperatively with others and maintains a high standard of service. Maldon has an unwavering character of which integrity, respect and responsibly are core.

You're welcome to contact me if you have any questions.

Sincerely,

Daniel H. Axelrod, L.Ac.
